Use the rhythm below and a mixture of pentatonic notes to make up your own tune

Try making up a pentatonic tune with 3 beats in a bar

Now make up your own rhythm by adding a crotchet , two quavers  or a rest  in each box. The first line has been done for you.

When you have finished clap your rhythm and count out loud at the same time.

Then add some pentatonic notes to your rhythm – MAKE SURE YOU DON'T MAKE IT TOO DIFFICULT TO PLAY
